

## URBAN STUDIES

*What is mixed-use zoning? How do you graph a bid-rent function? Why do creative agents cluster in large cities?*

*At this point, it really doesn't matter. The semester is over, and it's time to celebrate!*

*So join us for one last gathering before we all depart, and to honor our graduating seniors.*

*Food and beverages will be provided—really!*

**Thursday**  
**May 14<sup>th</sup>**  
**6:00 p.m.**

**Machinist Room**  
**GF Building**  
**65 Fifth Ave.**
